

Selina Catahoula Hotel

Is ideal for making the most of New Orleans. Originally built in 1845, the hotel resides in a restored Creole townhouse nestled on a quiet side street in the Central Business District; the hotel is just a short walk from St. Charles streetcar line, the French Quarter, Bourbon Street, a bustling food scene, and some of the best museums and art galleries in the region.

SELINA CATAHOULA

Is thrilled to be
a part of the
Arts District of
New Orleans!

We welcome you too...

Experience New Orleans from Selina's eyes with crafted cocktails from our newest in-house restaurant & bar, Oddbirds, lounge in the rhythm of the French Quarter with our Tuesday Jazz Nights from 7 - 10 PM, and take in the city from our rooftop.

Book your night with us now by scanning the QR code!

Our philosophy is simple: Keep it casual, cozy, and above all, human.

Selina Catahoula's style is not flashy or exclusive, nor is it predictable or contrived.
